

Dear Parents and Guardians,

## **Holiday Music Courses – Book now!**

I am delighted to share information for our holiday music programme this year. It is ten years since we started our first course and in that time these weeks have become some of the most eagerly anticipated in our whole calendar. There is an atmosphere to holiday music that is hard to replicate in term-time, we have enormous fun whilst coming together with an ambition to make the best music we can. These courses are unmissable for any passionate young musician, all are welcome.

Students will immerse themselves in music, improving their skills, and making new friends. Each course builds towards a concert, giving the chance to share what they've learnt with family and friends, to create lasting memories. We are proud to have a world-class team of tutors, each an expert in their discipline. Whether it is jazz, Indian music, strings, woodwind, brass, or rock bands – we have inspirational teachers to help students realise their potential and have a great time along the way.

All courses are now open to applications – [click here to book](#)
