

Dear Parents and Guardians,

## Coach Travel from September 2026

Congratulations on your child's place at Habs from September 2026. The following information is provided to help you book transportation for your child to and from school.

### Tickets for regular travel

We strongly urge you to submit a request for your child's travel at your earliest opportunity. All requests to join the coach service for September are processed in the order of receipt and tickets are sold subject to availability. You will receive confirmation by email once your request has been processed.

If your child is new to Habs and you wish them to travel on the home to school service, please request a ticket via the online form by [clicking here](#).

### If your child is already a Habs student

- and they use the home to school coach service
  - if your child's ticket shows an end date of 8 July , you do not need to reapply for a coach ticket. Your child's ticket will automatically renew for September.
  - if your child's ticket shows an end date of any other date than 8 July , please complete the ticket request form.
- And they do not use the home to school service – please complete the ticket request form.

If you are unsure of your child's travel pattern at the start of the Autumn Term, please complete the form for all possible days and times you may wish to use the service. If you then find that during the first 2 weeks of the new term you need to make some adjustments to fit your child's co-curricular activities, we can assist with these changes. Adding travel days and times can be more challenging than reducing travel as our routes can become busy.

### Transport Information

You can find details of all coach services on the Habs School website and on the Habs app.

- [Network Map](#) – shows all stops on the network. Click on the stop marker to display routes, times, and pricing information.
- [Terms of Service](#) – Gives guidance for parents, career, and passengers on how to use the coach service. It is essential that all students, parents, and guardians read this document carefully before using the coach service.
- You can contact the Transport Team 020 8266 1920 or by email at [transport@habselstree.org.uk](mailto:transport@habselstree.org.uk). Please note, July and August are a very busy period in the Transport calendar, and it may take a little longer than usual to receive a reply.

The Transport Team and I look forward to welcoming your child to the coach service.

Sincerely,

Ms Emma Summers  
**Transport Manager**
