

Dear Parents and Guardians,

Induction Day coach service – Friday 4 September 2026

A complimentary coach service will operate on Induction Day servicing some of our most popular stops on the home to school network. A bespoke timetable will be operating which differs from the main home to school service so please check the details carefully. PM times are estimated based on the coaches leaving school at 2.45pm.

If your child already travels on the coach during term time you will need to book a ticket for the Induction Day coach as this is a separate service. Tickets for the term time home to school service are **not valid** on the Induction Day Service.

Coach Stewards who would usually be travelling on the coaches will not be on duty on Induction Day.

You can request a ticket for the Induction Day service by completing the online booking form which can be found by [clicking here](#). You must request your ticket before **5pm on Friday 28 August 2026** as the form will automatically close at this time. Ticket requests received by email cannot be processed.

Please book coach tickets for Induction Day at your earliest convenience. Tickets are allocated on a first-come-first-served basis. Once a route is fully booked, we will remove the stops from the booking form, and we will not be able to offer any further travel on that route.

Your ticket will be emailed to you once your child's place on the coach has been confirmed.

The ticket will show the allocated stop, the time the coach is due at that stop for the morning route, and which bay at the coach park the coach will depart from at the end of the day. Please note that all afternoon times shown on the timetable are estimated and will be affected by the time the coaches depart the coach park at school.

As **this is a reduced service** it is essential that you book to a stop on the timetable below and note the stop on the ticket when it is emailed to you. **Not all stops on our regular timetable are serviced on Induction Day.** There are some stops that are specific to Induction Day which do not appear on the regular home to school timetable. These are highlighted in yellow and marked with an asterisk.

Please ensure that you and your child have read and are familiar with the Terms of Service and FAQs, which are available on the Habs app, before Induction Day. You can contact the Transport Office on 0202 8266 1920 or at transport@habselstree.org.uk.

We look forward to welcoming our inductees in September.

Yours faithfully,

Ms Emma Summers
Transport Manager
