

Monday 29 June 2026

Dear Parents and Guardians,

I hope this message finds you and your families well. As we look ahead to the 2026–27 academic year, and with a continued commitment to openness and careful partnership with our parent community, I would like to share a summary of our fees and billing arrangements to support your planning.

Annual Tuition Fee Invoice 2026-2027

You can view the current schedule of school fees [here](#). Fees are due on the first day of each term:

- The Autumn term invoice will be issued on 31 July 2026.
- Payment will be collected via Direct Debit on 7 September 2026.

The Charity has taken the opportunity of revising its Terms and Conditions to ensure that it continues to comply with changes in the laws applicable to independent schools. The Terms and Conditions details requirements for notifying the school if your child leaves.

A copy of the revised Terms and Conditions can be found [here](#).

To assist you I have also attached a table summarising the significant revisions at the end of this letter. This letter serves as Notice to you that the revised *Terms and Conditions* will come into force on 7 September 2026 and will supersede any previous version.

If you have any questions about the revised *Terms and Conditions*, please contact feesboys@habselstree.org.uk.

Although the school does not currently offer a monthly payment plan, families may wish to explore the [School Fee Plan](#) as an alternative.

Coach Service for 2026-27

You can now book on our coach service. This information is on our onboarding website. We are making improvements to our coach service and hope to give an update before the end of term.

Fares for 2026/27

Our aim is to operate the School Coach Service on a sustainable basis while remaining mindful of the financial pressures many families face. Over the past two years, operating costs, particularly fuel (reflecting ongoing challenges in the Middle East), vehicle operations, and staffing, have increased significantly. While we have absorbed as much of these costs as possible, a fare increase from Monday 7 September is necessary to ensure the long-term sustainability of the

service. Further details regarding any route-specific changes will be communicated directly to affected families in due course.

As part of this review, fares have been adjusted to better reflect journey distances, creating a fairer and more consistent charging structure across the network. We appreciate that any increase in costs will be unwelcome and would like to thank parents for their understanding and continued support. We remain committed to reviewing the service regularly and seeking further efficiencies wherever possible. Further details will be shared before the end of term

We ask that all families using the coach service take a moment to review the [Terms of Service](#) before the new term begins.

Please be reminded that a minimum of **one full half-term's notice** is required for any cancellation or adjustment of regular coach tickets. Further details about how to book, amend or renew your child's ticket will be sent out shortly. If you have any queries, please contact the Transport Office (transport@habselstree.org.uk).

Families will continue to have the option to pre-pay for lunches on a termly basis via the termly invoice.
