Dear Parents and Guardians,

Collecting Student mobile phone numbers – Year 7 to Year 13

We are updating our records to include student mobile phone numbers. This will help us contact students quickly during trips, emergencies, or other safeguarding situations where direct communication is necessary.

If your child has a mobile phone, please provide their current number using the link/form below. The number will be stored securely on the school's systems and used only for the purposes outlined above. For students in Year 13, we will also write to them directly so they are aware of how their number will be used and stored.

Thank you for your support

Yours faithfully
